Caleb: Finally got _Nixon_.

me: well done

Caleb: Maybe I'll watch it tonight.

Caleb: Maybe I'll watch it tonight with my gay boyfriend.

Caleb: Since I'd have to be totally gay to watch _Nixon_.

Caleb: Because only total gays enjoy watching _Nixon_.

Caleb: (see what I'm getting at here?)

me: wait a second...

Caleb: Maybe you should watch this movie some time when you're not full of shit.

Caleb: Maybe then you'll realize how fucking awfully shitty fucking awful it is.

me: just eat the fucking burger

Caleb: Jesus Christ.

Caleb: Oliver Stone is the biggest fucking faggot in the whole wide faggy world.

Caleb: I'm done with this bullshit.

Caleb: You're an idiot.

me: dude, I am going to personally beat the shit out of you

me: if you talk smack about that movie

Caleb: smacksmacksmacksmacksmackskag
